PARTICIPANT, PARENT OR GUARDIAN – PLEASE READ THE FOLLOWING:

Please understand that we cannot accept any responsibility for injury (or loss or damage to equipment) sustained during the Southern Freestyle Training Camps or Trips. Skiing and Snowboarding are relatively physical sports with a high element of risk, particularly Freestyle and Freeride skiing and snowboarding which may involve going inverted, skiing on rails, off kickers and in the halfpipe etc. While instruction will be offered by experienced staff, skiers and snowboarders can be injured or killed as a result of any one of numerous factors outside our control. Therefore those who choose freely to participate in training sessions or trips do so entirely at their own risk and take full personal responsibility for any injury they might sustain, absolving Southern Freestyle Club and, its sponsors its the staff and representatives in full, entirely and without exclusion from any responsibility. Young people under the age of 18 are allowed to participate on the strict understanding that their parents/guardians have given these factors due consideration and are willing to accept full responsibility for their son or daughter's participation on their behalf. We also cannot accept responsibility for lost or stolen items of clothing, equipment or personal belongings. Participants must carry full insurance for any costs and/or damages arising from loss, injury and deathwhile participating in snowsports and other travel and holiday related activities.

I understand and accept without exclusion these conditions:
